Welcome - Notchey Creek Farms

This tool allows on-line access to the majority of AHA services. These are just some of the features the system provides:

- Herd Inventory maintenance and management.
- Calving, Weaning & Yearling performance data entry.
- Register calves in real time, certificates will print the day following payment for the work.
- Transfer animals to your customers.
- Release AI certificates to your customers.
- View and Download personal list of your customers with full details.
- View and Download lists of animals.
- Review billing and account balance information.
- Pay for work and account balances using popular credit cards or electronic checks.

Click this button to edit, view or submit registration and TPR information on your herd
